Spektrum™ — the Smart Choice

You're Better Connected To Your Model Than Ever Before!

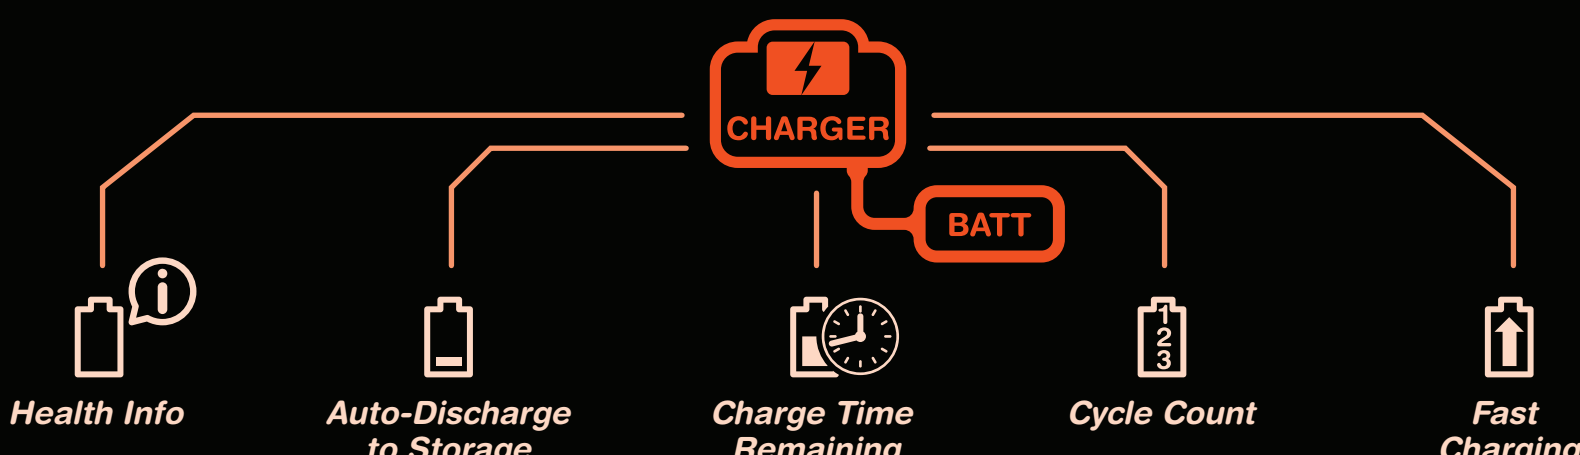

Real-time vehicle data is at your fingertips on your Spektrum™ transmitter

**EASY TO SET UP!**

- No Extra Modules
- No Complicated Programming
- No Extra Wires

Spektrum™ — the Smart Choice

Absolutely the easiest and safest way to charge your batteries!

Smart batteries provide Smart chargers with correct charging parameters automatically.

**EASY TO SET UP!**

Accurate charging begins the instant you connect your pack!

Spektrum™ — the Smart Choice

One wire does it all!

The Smart data wire on the innovative IC3® or IC5® connector sends telemetry data directly to the transmitter.

**EASY TO SET UP!**

- No Extra Modules
- No Complicated Programming
- No Extra Wires
